Marshall:

The best information on DMV privatization (or competition) is located in two places.

1. The SC Policy Council "Mandate for Change" book - the chapter that I wrote has some discussion on DMV. Unfortunately, this is not available electronically.
2. <http://www.cascadepolicy.org/bgc/dmv.htm>

Dear Geoff:

Per Marcia Adams' conversation with Marisa Crawford in our office, could you provide any info or business models on states that have let insurance companies register autos for the DMV? Marcia has identified six independent insurance agents who would like to pilot this kind of thing. She's copied on this email.

Many thanks. Great conversation with Jim Segal, by the way.

All the best,
Marshall
