Dear Tony,

Every 67 seconds someone in the United States develops Alzheimer's disease. [Your donation](#) will help us advance research enhancing care and support for those living with this devastating disease.

Make your gift by March 19 and we'll send you our limited-edition journal. Every time you use it to record or reflect on a special moment with a loved one, you'll be helping us support Americans living with Alzheimer's disease.

There are just three days left to take advantage of this special offer, and supplies are limited. [Don't delay — give today.](#)

Sincerely,

Donna McCullough
Vice President
