## Are you coming to WasteExpo?

WasteExpo is where you'll see new technologies, touch the latest products, learn from the experts, and do business with 13,000 industry professionals.

And, 600+ exhibitors will be there to show you the products and services that will help you overcome any challenge.

Plus, explore top industry trends in our **FREE Spotlight Sessions**. You'll learn how technology, food waste/recovery, contamination and smart cities impact the waste, recycling and organics industry.

These all-new Spotlight Sessions include:

- Digitalization of the Waste Industry
- Smart Cities with a Solid (Waste) Plan
- Managing Contamination: Does One Bad Apple Spoil the Whole Barrel?

- Reducing Food Waste and Increasing Organics Diversion and Recovery in Municipal Programs

Did we mention that these amazing sessions are FREE and open to all attendees?
