## South Carolina State Parks

Did you know most of our parks have retail shops with cool, state park logo merchandise? Like Lake Greenwood! Check out their cool assortment of hiking stick medallions, magnets, patches & more! AND we also celebrate the tax free weekend! Shop at any park or online at [www.scparkstore.com](http://www.scparkstore.com)

**Larry A Smoak** Just in time! We'll be spending Labor Day weekend there, and that cap on the top shelf sure would look good on me!

**Norma Cooler** I find your stores in the parks I frequent (Huntington Beach and Hunting Island) to have quality merchandise. Thanks for that. 👍

**Tiffany Gibson** The gift shops are my fav part after hiking a trail or paddling a lake. Please keep these better stocked. Had some issues and Table Rock and Devils Fork this week with finding stuff to take back for the nephews first trip.

**Dena Hawkins Pollard** I love the park stores, but I wish each camp ground had one of the 24 hour self-serve ice machines.

**Paula Odum Swaney** We try to pick up a magnet at each park for our camper fridge. Please keep the tiny souvenirs coming. 😊
