Hey Hank,

I would like for the Lt. Gov. to talk about his commitment, and the commitment of South Carolina, to seniors and the programs in place to help the senior population. Nationally, the SHIP program is on the chopping block. We need everyone's advocacy for SHIP and other programs that affect the senior population.

South Carolina is one of the fastest growing states in the nation in senior population. Across the nation, seniors are moving to Southeastern states because of its climate and affordable cost of living. How will the Southeastern states fare with this huge growth in population? What is South Carolina doing to prepare for this rising tide?

We don't want him to talk too long because of time restraints. He needs to keep his speech to under 10 minutes. Let me know if I've given you what he needs.

Thanks,  
Tim

Good morning, Tim.

Danny Varat e-mailed me this morning to put some talking points together for the LG. Do you have any particular topic(s) that you'd like him to touch on?

Please send me some bullets for remarks and the timing of his arrival, speech and departure. I can't find it, if you've sent them already. Thanks

Hey Hank,

I've attached the draft of conference program above. The general session on Monday, Sept. 11 will be from 8:30am-10am. We will want everyone in place by 8:15am. I am doing the narrative now for the moderator. I think it is best to have the mayor of Greenville, then Darryl, then the Lt. Gov., and finally the key note speaker. It will be fine for the Lt. Gov. to leave after he speaks...although he is welcome to stay for the entire event!

AARP is using their pull to get the media involved. Of course, I am going to call all of the outlets myself next week.

Is there any way you can tell me how long he is wanting to speak? I was hoping no more than 5-10 minutes...unless he's going to tell us he's increasing funding!!!

Do you need anything from our end?

Thanks,  
Tim

Good afternoon, Tim.

Just wanted to touch base with you again to confirm that the timeframe below was still the same. Also, will there be any media there (is SE4A sending out any releases / advisories re: the conference or can/should we re: the Lieutenant Governor)?

Tim Womack (Appalachia) called me this afternoon to confirm that the LG was, in fact, planning / available to speak on Monday, September 11, 2017 at the SE4A conference. In looking at the time slot he mentioned that morning from 8:45a to 9:20a, they would like for the following people to speak / welcome the crowd during that time:

- Mayor of Greenville
- Darryl (who would make a few remarks and introduce the LG)
- LG
