Subject: Stalking,justice system.

I have a question for you?? How is it a man from Bangladesh is walking around S.C with 3 different names allow to stay here. The court was told of these three different names yesterday. One is a ID.(out of date) One was a DL (out of date) and one is passport(got from the Bangladesh people in new York) Plus he's being charge with stalking charges in Berkeley county.. The victim is being treated like she is in the wrong? This is why there is so many death in S.C.. Specialty in Berkeley county.. Women give up because we not only get beat up on in a relationship mentally or physically, but also in court. To the point why keep fighting? They keep walking. Unfair.

He told the court he doesn't have a job. He does little jobs here and there because he isn't legal here. That's a lie.. This man has always open and ran beer and tobacco stores. The whole time I knew him. I was told that was his stores.. But after a guy got in trouble from tobacco outlet in Summerville. He told me the whole truth.. He has open over 9stores that we thought was his.. Come to find out he open stores in people name because he isn't legal. Then they have falling out or they pay him off.. They are all scared of him..

Now he's working at beer and tobacco in 1238 Yeamans Hall Rd, Hanahan, SC 29410.. Driving around in a Mercedes Benz with NO driver license.. How is that fair???????
