Good Afternoon Katherine,

I hope all is well with you. I wanted to reach out to you to see if you can steer me in the right direction. On August 12 and 13, 2014 I will be making a three state swing with Mr. Jim Tobin who is our worldwide CMO and the highest ranking Magna official in the United States of America. Since South Carolina is seriously being considered as a site for a new Magna manufacturing facility and I am pushing very hard for South Carolina to be that site I would like to set up a meeting with Jim Tobin, Governor Haley and Secretary Hitt. This is a first for Magna corporate executives and I think it will be a positive for South Carolina and for Magna. I just need you to help me get in front of Governor Haley. Thanks.

Frank
