Dear Mr Tony Kester,

We wanted to send you a quick reminder to let you know that the **£400 early bird** for SMI's industry leading **Pain Therapeutics** show will be ending in just 2 day's time on 31st January.

The 17th annual conference will once again gather our growing pain community of industry thought leaders and scientific experts involved in drug discovery, neuroscience, pharmacology and clinical operations. If you haven't checked out the agenda yet, [download a brochure](#) today to see the full line-up of speakers and a detailed **programme for 2017**.

---

#### WHATS ON THE AGENDA?

\*\* A **packed programme** featuring the best speaker line-up to date \*\*

---

Hear from our global panel of over **18 speakers** to strengthen knowledge in key topics such as **CGRP receptor antagonists** in migraine pain, **pharmacodynamics testing** in drug development and **patient stratification**, whilst looking at the practicalities of **veterinary trials** and staying at the forefront of **clinical breakthroughs** to adapt to the growing need in combatting **opioid dependency**.

Maximising the use of **animal models**, optimising **biomarkers** in pain research, and hearing about **novel opioid treatments** and alternatives to beat addiction will be a major focus, as will hearing from a selection of pharmaceutical companies and biotech's currently developing novel pain therapeutics. **DON'T MISS** our case studies from **Nektar, AstraZeneca, MSD USA, Janssen, Grunenthal GmbH, Amgen** and more.

We will also be welcoming expertise from:

- Lilly UK
- The Centre for Human & Drug Research
- Novartis
- Zoetis
- Centrexion
- Cara Therapeutics
- University of Manchester
