Columbia, SC 29201

Dear Governor Nikki Haley,

I am in 3rd Grade at Good Shepherd Episcopal School. We are doing a states Fair project at our school and we tell people about are state. I chose South Carolina for my state because I go there for my vacation in the summer. I go to Hilton Head Island and I have a beach house there. I was also born when you became governor I thought that was cool. Could you please send me some information about the government, economy, history and geography of south Carolina? Could you also include some cool facts about South Carolina?

Sincerely,

Walter
