Palmetto Passports can be purchased at any of our 47 parks, in the State House Gift Shop, or at our central office at 1205 Pendleton Street Suite 201 Columbia, SC. Palmetto Passports are available to SC resident seniors (age 65 and older). They can only be purchased by the citizens who show proof of eligibility, and the passport holder must be present whenever the passport is used. Let us know if you have any further questions!
