I was heartbroken when I 1st learned about the two boys death. Who or what kind of person would hit and leave two children on the side of the road. Then later during Sunday morning Church service I then learned one of the little boy killed was my little cousin my heart dropped and ache. I felt sick. Just a few weeks before the boys were killed. I stopped to help what I thought was a stranger who was hit on his motorcycle. I was the 2nd to arrive on the seen, willing to do what ever it took to help save a life. My family has endure pain. I would not leave a animal on side of the road. It seems as if there's more punishment for hitting animals. How do we value our children. What would be the charge for hitting and killing two Shepherd or poodle dogs and what about a horse. You're drunk and driving. Then leave them on the side of the road. Please hear the cry and provide justice for the Boys and families.

These were young men who had not even lived life fully yet only to be struck down by a person with no regard for human life. Justice needs to be handed out sternly and swiftly.
