I have a question about the Ultimate Outsider. Do you have to complete it in a certain amount of time in order to become an Ultimate Outsider? My husband and I want to start it with our daughter, but it may take us a few years to get all 47 under our belt.

Hi. You can take as long as you need. There is no certain time to complete it by. Hope y'all enjoy!

And make sure you grab one of our new park guides to use when you do the program!
