Subject: Vetoes No. 9/No. 70

Just spoke with Rep. Tallon regarding veto no. 9. He said that the proviso came from Rep. Pitts and he is under the impression that the funds would be used for law enforcement related to Memorial Day Bike Week events so he would not be voting to sustain this veto. I mentioned the funds could be related to mobile data equipment. Rep. Tallon sits on the Public Safety Coordinating Council which recently approved about \$250k for highway safety and he said he would check to see if the approved funding included this mobile data equipment.

Any suggestions on how to proceed with him?
