Assessment Summary Chart.docx

Marcia and Christian:

I have put together a Prezi which I am sharing the pdf with you both. This is my first time using a Prezi so it's not too sophisticated yet. I can easily make changes or additions. I know what I'd like to see happen with the new process (what we talked about an evaluation panel, etc.) I didn't want to presume too much.

I also have attached one-page that summarizes the new assessments for 2014-15. Let me know if I need to make changes, etc., on anything.
