The Honorable Nikki R. Haley
Governor of South Carolina
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

As a voter, constituent, and poker enthusiast, I am writing to express my disappointment in your support of federal legislation that seeks to ban Internet poker throughout America by arbitrarily, and incorrectly expanding the scope of the 1961 Wire Act.

Your position is an attack on my individual liberties and I am astounded that as Governor you would support a federal law that so clearly tramples on the rights of states. Your support constitutes an egregious federal overreach and completely leaves consumer unprotected in an unregulated US market. Your extreme position has not gone unnoticed and I encourage you to reconsider your support.

Sincerely,

William Murray
