Hi. If you call the park directly, they can book one-night reservations, if they have any availability. Parks that come to mind are Table Rock, Oconee, Keowee-Toxaway or Devils Fork. You can find their numbers here: www.SouthCarolinaParks.com

Hi! Is there any tent camping through the state park system (weekend only) that you can book only one night? I've clicked around the state park website and keep getting blocked when it says 2 night minimum for tent/RV camping. We are trying to stay in the Upstate area.
