

NOTES FOR GOVERNOR EDWARDS
careers Conference on Criminal Justice
APRIL 9, 1976

C(Conference is attended by some 150-200 young people who are interested in criminal justice Careers. Students from public and private colleges as well as tec institutions around the state.)

---Pleased at interest in the criminal justice system..one of the most challenging professions that young people can enter.

---Four years ago , ~~xxxxx~~ similar conference to this was held...as a result numerous young people entered in to the Criminal Justice field.

---Much work to be done in Criminal justice...Judicial reform, correctional facilities and reduction of crime rate.

---Students interest in this field can have impact on the lives of every citizen in the state. ~~xxxxx~~ ~~xxxxx~~ Must reduce the cost of crime to the people by dedicated , bright young minds seeking and finding solutions to problems.

---Students should take every advantage of this conference...their contributions to the field of Criminal Justice are welcome.
