Dear Mr. Cleveland,

Our office received your Freedom of Information Act requests for the following records:

- (1) "A copy of the most recent annual report required to be submit to the Governor of our state under S.C. Code Ann. 1-1-810 (1976): 'Each agency and department of state government shall submit an annual accountability report to the Governor...' for the South Carolina Department of Corrections and the Office of the Attorney General."
- (2) "A list of public assistance available to Americans in South Carolina and the income requirements."

With regard to Item 1, copies of the State Agency Accountability Reports for Fiscal Year 2014-2015 are already made available to the public at no cost from the General Assembly's state website: <http://www.scstatehouse.gov/reports/aar2015/aar2015.php>. Should you not be able to access the internet and would like copies of the reports, then please let our office know, and copies can be provided to you.

With regard to Item 2, due to the broad nature of your request, our office could potentially possess thousands of responsive documents, and therefore, our office will require you to narrow the scope of your request in writing. Be advised that the Ombudsman is available to guide citizens to the appropriate government resources for questions, concerns, and requests and may be able to help you with the requested information. The Ombudsman may be reached by phone at 803-734-5049 or by mail at the following address:
