Dear Gov. Haley,

I wanted to take time out to thank you for the excellent leadership you provided South Carolina during hurricane Matthew. My husband + I evacuated to my daughter's house in Lexington. We stayed there from Wednesday to Wednesday. The highlight of each day was your press conferences which gave accurate updates + information (we would've liked more news on our hometown of Beautiful Beaufort by the Sea, but otherwise all was good!) you showed great composure + poise under the stressful situation. Thank you for your leadership. You did a fantastic job, and we are proud of you.

Although the storm has "officially" passed, there are still thousands of our friends and neighbors who continue to try and move forth. There is still much recovery to be dealt with. I trust God will continue to carry us because He is our shepherd.

Thanks again + may God bless you.

Sincerely,
B.J. Woods
