Dear Nikki:

As the end of the year approaches, it's a great time to consider whether your agency is getting **the most from your network investments!**

HughesON™

<http://pages.myhughessolutions.com/tuA90Z04Vk0jA00FM10003h> is a cost-effective, comprehensive suite of managed network solutions that enables you to quickly **enhance your existing infrastructure, without the cost and complexity of a full-scale replacement.**

With HughesON, you can. . .

- **Enjoy high capacity access and high availability networks** optimized for your unique needs as a multi-branch government organization.
- **Secure your network** with PCI wireless intrusion detection and prevention.
- **Improve operations** through faster speeds, higher capacity, Wifi, managed network services, centralized control, and monitoring and support.
- **Train your workforce** with digital screens and engaging video-on-demand capabilities.
- **Improve the constituent experience** through digital signage and kiosks, as

well as in-branch mobility.

**Your Agency Can Experience High Application Performance over Affordable Broadband!**
