Chief Willie L. Johnson
Greenville, South Carolina

Dear Chief Johnson,

On behalf of the people of South Carolina, I would like to send congratulations as family and friends gather to share their appreciation for you and your service to the Greenville community. This is quite an honor, and it is one that you have earned through your longtime career in law enforcement and in your role as the 23rd Chief of Police for the City of Greenville. From your courageous military service in Vietnam to your extensive involvement in civic affairs, you have had a positive impact that will last for generations to come. Michael and I thank you for all you have done to make the Palmetto State a better place to live, work, and learn, and we wish you the best going forward. God bless.

My very best,

Nikki R. Haley

Congratulations!
