Deb,

Per your request but not needed since you all are not responsible for the Gov's briefing. Christian has everything handled including her speaking points.

I will be the point person for the event.

1-2 pm at Alucoil. Gov and Lewis Gossett to make remarks, Q&A, photo op, tour of company, reception.

VP/GM is Samuel (Sam-well) Chastain.

Let me know if you need anything else. Rebecca and Doug and Zach should have my cell and know how to get a hold of me.

Please tell Amy to call if she has any concerns or questions. I hate that you had to take the time to do what you're doing but thanks very much. The more information the better and everyone is happy.
