This past Saturday, we held our 7th Annual -- 3 Parks, 2 States, 1 Trail Hike. This 14-mile hike started from Crowders Mountain State Park, in North Carolina and continued through Kings Mountain State Park in South Carolina and into Kings Mountain National Military Park. There were 33 participants this year! All who were troopers! Make plans to join us next year: <http://southcarolinaparks.com/kingsmountain> #FindYourPark
