I just got off the phone with the representative from the Drinkware Company. She told me that there is NO guarantee that the tree will be filled this year – similar to last year’s situation. She did send the attached proof in which she enlarged the tree to try and avoid the error....she still said there was no guarantee. Let me know your thoughts. I could always research another company that would hopefully be able to print what we need.

Hey there Jennifer. Hope all is well. Please find the two logos attached. Would you mind giving me a call at some point today to discuss the cups situation? Thanks again!
