You can only be healthy and happy being who you are and not who people think you should be.

I'm someone who's different: deviant, perverted, whatever label you want to use it's all the same to me because I know what I am and I know that like most all others I can't be "converted" to different orientation. So I'm signing the petition and joining the fight!

I'm signing because "conversion therapy" is ineffective and cruel. It should be banned.
