mary.poole I could write a book about this, but I love #SCStateParks because of the healing and restoration the trails give to me. The rangers, employees, and volunteers work so hard and amazingly at keeping the parks and trails clean! Going to the parks (especially Croft) feels like going home. The rangers at Croft go above and beyond to make me feel welcomed. I always get a friendly wave as I'm pulling in or out 🍷

ali_powell05 because my family (4 young children and husband) has made so many amazing memories traveling around this beautiful state and soaking in all the treasures it has to offer 🌳 history, hiking, the ocean, the mountains, and so much more...we get to disconnect from the hustle and bustle of everyday and just be ❤️

theflynnhouse I love them because they are a huge part of my childhood. My dad was superintendent of Kings Kings Mountain when I was little, and retired as a District Superintendent. I have so many great memories from living at Kings Mountain, and visiting other parks, like Hickory Knob and Table Rock. Now, I look forward to making great memories at the parks with my own family!
