Subject: Jason Drake

Importance: High

Hope after court yesterday, we start receiving text messages from no other than Amanda Watson(Mullinax).

These are also be giving to Jason's Attorney. If Jason could or had the ability to pay he would; however he does not. As his common law wife which is honored in the state of SC and main care giver(I am his nurse and actually and perform all of his nursing duties) it is my job to protect his well-being and his best interest. An to make sure he is not taken advantage of, being that he is disabled.

She continues to harass our family. For whatever reason she doesn't want me in the court room but does not mind harassing us after. We will need the Judge to make a final decision at the next court date.

Also Hope when Jason has to go through you security he was asked has to move up/forward, he cannot move, he is paralyzed . Judy I believe was her name also searched Jason's bag on the back of his wheelchair and left ever thing out and unzipped. It is a good thing his aide(not nurse) was there. As he was treated disrespectful by your security. Also please make sure you fix the handicap door coming into your facility, we did report that to you security staff that the outside handicap button to open the door was not working.

Kind Regards

Melissa Tanner
