i am a member of the Pendleton Elks Lodge. We have received a grant to fund a 2-week camp for 40 youth from Riverside Middle School (ages 12-14). On June 16, Friday, we plan to bus them to Columbia. We are taking them to the State Museum and would like to visit the Capitol. Would it be possible for you to meet with these young minds and share your thoughts on public service, State issues, etc.?? At this time our scheduling is flexible.
