

## EOC Goals and Objectives for 2013-14

1. Continue the implementation of the Education Accountability Act of 1998, *as amended*, and fulfill other responsibilities assigned by the General Assembly including those within the Teacher Quality Act, the Parental Involvement in Their Children's Education Act, the Education and Economic Development Act and those made by special requests, including:
  - a. Monitoring the development of assessments, technology needs and related resources linked to the state standards and communicating alignment with SC aspirations and instruction;
  - b. Implementing the cyclical review of the state accountability system and reporting to the General Assembly and Governor;
  - c. Increasing the impact of the accountability system on decisions which impact state, school and student performance;
  - d. Ensuring the system is effective for the young people currently enrolled and for those young people to come;
  - e. Evaluating the progress of all schools including separate reporting for public charter schools and schools in technical assistance;
  - f. Reporting on growth in achievement across five years of PASS data for the four core academic subjects;
  - g. Supporting and promoting innovative practices in South Carolina public schools and other initiatives that encourage innovation and creativity including the pilot assessments in Dorchester 2, Spartanburg 1 and Spartanburg 6 school districts; and
  - h. Review and approve new science standards.
2. Measure progress toward the 2020 vision for statewide educational performance including:
  - a. Ensuring that no student is enrolled in a school rated At Risk;
  - b. Working with stakeholder groups including higher education to understand state aspirations and the tasks necessary to achieve those;
  - c. Adjusting or expanding reporting methods and content to increase sensitivity to growth in performance; and increased knowledge of the performance of students disaggregated by student instructional needs (i.e., EFA and EIA program codes) for the four core academic subjects;
  - d. Recommending actions for policy, practice and funding to accomplish the 2020 vision; and
  - e. Promoting more open dialogue about the gains, challenges and strategies to accomplish the 2020 vision.
