Subject: Fw: Barack Obama-The man who stole America-Part two

To America:

October 1,2014

"No person, except a natural-born citizen of the United States at the time of the adoption of this Constitution, shall be eligible to the office of President." (Article II, Section 1-U.S.Constitution)

Approximately 233 years ago our Revolutionary War began. When it ended, the United States of America was born, liberty proclaimed and laws enacted under the new Constitution. At that time, John Jay wisely convinced George Washington to include in The Constitution the Article II,Section 1 provision limiting the Presidency and Vice-Presidency to natural-born American citizens, so that no one with a dual-nationality or other foreign allegiance(British,for example) could adversely affect the governance of our Country, a provision casually ignored by many in today's political arena who treat Article II,Section 1 (as well as other parts of our Constitution) as "throwaway" pieces of legislation if they conflict with one's ambition.

In my previous letter (part one) I said that the man in the White House is not, and never was the President of the United States. He, Barack Obama, used two fraudulent documents, a 2008 "Certification of Live Birth", and, two years later a "Certificate of Live Birth" (both of which Obama, formerly a Constitutional teacher, knew were not legitimate), to convince America he was eligible to seek the Presidency. Though experts nationwide branded both documents fraudulent, ineligible or both, Obama continued using them to maintain his deception, which even included ignoring orders from federal courts

to produce a valid birth certificate. Criminal actions, all! Following is the story of how he destroyed the stellar military career of a faithful U.S.Army officer who had written to him for confirmation that his birth certificate was valid (as required by The Constitution), since more and more challenges to his legitimacy were surfacing.

Lt.Colonel Terrence Lakin, had 18 years of honorable Army service and was a recipient of the Bronze Star and had already served a tour of duty in Afghanistan and became a leading flight surgeon charged with caring for the Chief of Staff's pilots and air crews. After going through Military channels unsuccessfully he wrote directly to Obama for confirmation that a required valid "Certificate of Live Birth" had been filed by him and accepted in 2008. A simple request....or so the Colonel thought. Obama ignored his letter and a follow-up one and also ignored the Colonel's service to our Country. Feeling that Obama's authority to command might be in doubt, thereby making him ineligible to command our Military, Colonel Lakin refused a second deployment to Afghanistan until Obama would confirm his legitimacy. In retaliation, the Colonel was arrested and underwent a military court-martial at which the presiding judge, Major General Carla Hawley-Bowland would not allow his attorney to introduce any Obama records in his defense "lest they prove embarrassing to the President." (her words). Unbelievable! If Colonel Lakin's attorney had wished to introduce The Constitution into the records because the oath taken to defend it was contained therein, would she have also rejected that request as "embarrassing to Obama" ? Due to Obama's silence, the military court found Colonel Lakin guilty and he suffered a dishonorable discharge, loss of all pay and benefits and imprisonment because Obama would not produce a valid birth certificate which, if existing, could have saved the Colonel's career. Ironically, while Obama spent many hours at fundraising, TV shows, etc. he had no time for an American defender. On the golf courses he sought to "break" par while, in hospitals, Colonel Lakin sought to mend "broken" bodies.

Transparency, to Obama, means saying or doing anything, or nothing, if it would help him attain his personal gains at any cost...that is , any cost to others. This includes lying, falsifying or withholding incriminating documents, ignoring or rejecting our Justice system, ridicule, and silence, a silence which became his loudest response when truth was requested of him. He defined himself with his own
