Please see below. Is it ok for the Governor to take this photo?

Thank you, Nicole for getting back with me.

We do have a small request that needs to be done in a timely manner. We would like to have a picture of Governor Haley wearing a Lake Murray Country golf shirt. I can drop off the shirt if you let me know her golf shirt size. I can take the picture or someone from your office. We would like it with a plain background so that we can super impose her photo on the Lake Murray background to use for the FLW media outlets. Of course, we can send it to you for your approval once the ad is completed by our VP of Marketing.

Thank you for your assistance with this,
Vickie

Mrs. Davis-

Thank you for your email. Swati Patel also passed along your voicemail to me. That is very exciting that the FLW is coming back to Lake Murray next August. I understand that you would like for Governor Haley to give brief remarks on August 13, 2017 at the Colonial Life Arena. Governor Haley appreciates your kind consideration, but regrettably I am unable to confirm the Governor's attendance this far in advance. I will not have a better understanding of the Governor's travel schedule and availability for that date until June or July next summer. Please feel free to reach back out to be directly at that time: nicolepriester@gov.sc.gov.

Thanks,
Nicole
