Dear Governor,

We are hosting a "Stand Up for America" Rally on Sunday, March 22. Tim Lee, a double amputee and purple heart recipient in the Vietnam War will be the featured speaker. The Marine in a wheel chair addresses thousands annually throughout America and the world. I promise you that you will never forget seeing and hearing this American Patriot as he shares his zeal and burden for our nation.

We would like to extend to you a special invitation to attend this rally. I know your schedule is hectic, however it would be a real encouragement to our people to have our Governor present and recognized from the pulpit. Please let me know ASAP if you could attend either the 11:00 a.m. or 6:00p.m. service.

Thank you for considering my invitation!

Respectfully,

Pastor Rowell
