Mr. Rabon,

- 1) Is it ok if our daughter, Emily Rabon, joins us? This is perfectly fine. Thank you for letting me know.
- 2) Approximately how much time will we have with Gov. Haley? The average meeting time is around 20 minutes.
- 3) Would Gov. Haley benefit from me sending some background information on my family and the ideas we want to discuss? If so, should I send that information to you or someone else on her staff? Sending some background information to me would be very helpful.

Thank you. We look forward to seeing you all on Monday at 11:00 AM.

Thanks,

Nicole

Nicole,

I am checking to make sure we are still set to meet with Governor Haley next Monday, Aug 29th at 11 am.

If you could respond to a few questions, I would really appreciate it:

1) Is it ok if our daughter, Emily Rabon, joins us?

2) Approximately how much time will we have with Gov. Haley?

3) Would Gov. Haley benefit from me sending some background information on my family and the ideas we want to discuss? If so, should I send that information to you or someone else on her staff?

My daughter is a math teacher at Ashley Ridge HS in Summerville, SC, and a Clemson graduate. She is very excited about the opportunity to meet Gov. Haley.

We want to make the best use of our time with Gov. Haley, so knowing how much time we have with her is very important.

Sincerely,

Glenn Rabon
