---

Thanks.

Please work directly with Chaney on this. Not sure what the schedule looks like, but she will get with the governor and get you an answer.

This would be part of Severe weather/flood safety week but totally separate from the nuclear exercise in the morning. I mentioned the nuclear drill only in terms of SEOC availability.

So is this being built into a previously scheduled event?

Subject: Media avail for severe weather/flood week

Hi Rob and Chaney,

Would you be interested in doing a severe weather/flood safety preps joint media avail at the State EOC for the afternoon of Monday, March 7? We could get the Team SC agencies together for a joint briefing about the importance to being prepared for emergencies and how we need people to heed emergency warnings. We could invite the usual suspects: DPS, DOT, NWS, DHEC, DNR, NG, etc...

We have a nuclear exercise taking place that morning which should be over by that afternoon. Anything you would like to do would be welcome, hope to talk to you soon! -Derrec
