Hello and greetings! My name is Bucky DaVega. I recently completed the Ultimate Outsider program and received my packet. Thank you very much. The only thing I was confused by was that the park passport was not among the items in the packet, as I was under the impression that it was one of the rewards for completing the program. Is that right? Does it arrive later separately? Thank you.

Did you complete all of the National parks too? We did have a promotion with them that has expired. That's where the passport came in.

Yes, I did in fact complete the 8 national park sites as well, all within 2016. I had the corresponding card with the 8 stamps in the back of the booklet, but I don't think the ranger saw it, and I forgot to mention it at the time.

Let me check on this for you. Could you take a picture of the National park card or scan it and send it to me here or email to [gdavenport@scprt.com](mailto:gdavenport@scprt.com)?

I unfortunately don't have a scanner. Would it be possible to mail the card in to your office?

Amazing. I wonder if the place has ever seen snowfall before in its existence.

Is Rivers Bridge the one with the guided Saturday tours? If so, what time do they start on Saturday?
