Mr. William T. Putnam, Executive Director  
South Carolina Budget and Control Board  
Wade Hampton Building  
Columbia, South Carolina 29201

Dear Bill:

The Commission on Higher Education has reviewed the 1978-79 supplemental appropriation requests, forwarded by your office, of seven of the public colleges and universities. The amounts requested and the Commission's recommendations are as follows:

	<u>Requested by Institution</u>	<u>Recommended by Commission on Higher Education</u>
The Citadel	\$ 54,420	\$ 54,420
College of Charleston	725,294	363,800
Francis Marion College	493,339	226,500
Lander College	150,770	59,270
South Carolina State College	486,083	440,718

USC System	<u>13,878,911</u>	<u>4,050,000</u>
	<u>\$20,261,416</u>	<u>\$6,589,708</u>

Details concerning the above recommendations are set forth on the enclosure to this letter. I was instructed by the Commission to advise the Budget and Control Board that the Commission also recommends (1) that no State-funded personnel be authorized as a result of supplemental appropriations, (2) that no funds be authorized for travel purposes, (3) that the funds recommended are for one-time, emergency purposes, and (4) that the institutions be required to use the funds so appropriated for the purposes for which they were requested.

With respect to supplemental appropriation requests, the statute states that "if the commission does not concur in such requests the affected institution may request a hearing on such requests before the appropriate committee of the General Assembly. The commission shall have the right to appear at any such hearing and present its own recommendations and findings to the same committee." The Commission requests that it be advised of any such hearings as may later be scheduled.

Sincerely yours,

*Howard R. Boozer*
