Rob, please use this request. Thanks

This is a request under the S.C. Freedom of Information Act for all emails sent by Gov. Nikki Haley, her chiefs of staff and legislative staff since Jan. 1. Emails should include those from state and personal accounts. I am also requesting a record of phone calls by the governor on her state cell phone during that same period. Please include any text messages or Blackberry messages sent by the governor during that time as well. You may contact me by email or at the number below if you have any questions.
