Subject: RE: meet tomorrow

We have a summit with the SREB tomorrow on Accountability-Based Funding for higher education, which is going to eat up most of the day. Can I call you whenever there's a break, and we can talk through it then?

Subject: meet tomorrow

Hi Christian,

Per our phone conversation today, would you be able to meet with me, Amanda, and Wanda Crotwell tomorrow at any point? They were working on another technical amendment today to the First Steps bill and before we get too far along we want to get a better sense of where the Governor is and how we can help.

I will be down all day, so please just let me know a time that works for you.

Thanks-
Joe
