The agenda is tbd. Invitees are all delegates. I can send you an overview tomorrow.

If the governor would like a trip overview and to discuss details of the trip such as immunizations, hotels, overall agenda, food/customs, etc. she should plan on doing the call, otherwise we can do one with just her. You and rob need to participate, all of her security personnel are participating as well. Thanks.

Also she could do a welcome to the people on the call if she wants, even if she isn't able to participate. Definitely doesn't have to though, just another option.

Michael and the Governor are also free to join if they're available, but not mandatory for the two of them. Please let me know if they plan to join.
