I spoke to Mark Champagne and his organization, Sumter United Ministries, is running point on recovery for Sumter County. The United Way of Sumter, Clarendon and Lee is running everything through Mark (I spoke to them as well). Right now, he said the folks in Sumter need cleaning supplies (gloves, masks, Clorox, etc.-see attached list). He estimates there are 200-300 homes that have damage in Sumter (that is his estimate, not FEMA's).

They would like to prepare 300 flood buckets if possible. Ashlie/Marcia, if we have any of these items, they are ready for delivery at his location in Sumter and said the City could provide storage as well.

Also, starting tomorrow they are requiring citizens to show they have registered with FEMA before they receive any goods. FEMA has set-up shop across the street from his location.

Thanks for reviewing the list.
