Let's meet at UWASC. I have another off-site meeting on Friday morning now, so I'll be out and about anyway. Thanks.

I meant to say an address rather than directions.

Sounds good - would you like to meet at UWASC or the Governor's Office?

Let's go with next Friday morning (10/26). How about 10 a.m.?

Hi Lynne,

I'm in budget meetings this Friday afternoon, unfortunately. The next two Fridays are both fairly open right now, and October 30th looks pretty good too, if any of those would work on your end. Thanks.

Good morning, Christian,

I am a member of Tim Ervolina's senior staff at the United Way Association of South Carolina. Tim suggested I contact you as I would like to share information about what we do in reference to cultivating a climate of volunteerism throughout SC. As a new Commissioner, we thought you might be interested in knowing how my position as Director of Volunteer SC was started since it came through the Commission for National and Community Service via the Volunteer Generation Fund.

Please let me know when you would be available to meet with me. While I work from my home in Pawleys Island when I am not traveling across the state, I come to Columbia several times a month for meetings at the United Way Association office. I will be in Columbia this Friday and would be available after 1 p.m. I realize that may be too short a notice for you, however, so if you send me some dates, I will coordinate accordingly.

Thank you, Christian, and I look forward to hearing from you soon.

All the best!

Lynne
