All,

Please see the attached letter re: the final release of loan funds to President Elzey. This letter was e-mailed to the President at 12:02 this afternoon. As you will see, it requires the President to sign and return a copy of the letter as an acknowledgement of the conditions placed on the use/amounts of the funds before Marcia can release the funds to the University. We will provide you with the signed copy as soon as we receive it. Let us know if you have any questions. Thanks.
