Dear SUA Directors,

Some of your peers have suggested that a conference call on state legislative issues would be helpful given that many of your states have legislative sessions in the early months of 2014. As a Federal agency we at ACL are limited in our ability to be involved with state legislation. However, we would be happy to provide technical assistance on implicated Federal issues to the extent appropriate and to facilitate a roundtable discussion.

I suggest we make legislative issues the topic of the first of a monthly series of Region IV SUA Director T/A Conference Calls (senior executives also welcome) to be held on the fourth (4th) Thursday of each month at 2pm eastern as listed below. The topics for future calls are to be determined. Please let me know as soon as possible if any of you already have a standing monthly conflict on the fourth Thursday of each month at 2pm eastern. Outlook invitations will be forthcoming.
