Yesterday, I had suggested to Anne that if we couldn't fully coordinate the language, that I could as counsel at least request written notification including the questions at the end of the letter, would you prefer that until Darryl is back and allow Darryl to craft the larger message once he is recovered?
I've attached a reworded letter from the LG to the delegation.

This will need to be reworded. Darryl confirmed that we have not absolutely opposed the end of the program as long as current services continued. Please get with Anne to revise.
