

# Indian Land Community Clean Up Day

Please join your neighbors, Discover Indian Land, & Liberty Waste for the 1st "Indian Land Community Clean Up Day". Indian Land is a beautiful place, but that doesn't stop people from littering. In order for OUR community to THRIVE & stay beautiful, we need to step outside & make a difference. Volunteers will receive a free lunch & t-shirt. We need 15 dedicated volunteers to make this happen. Sign-up on Facebook @Discoverindianland or call (803) 336-6705.
