Dear Governor,

Thank you for the assistance and leadership you provided in making last week's joint announcement on customs preclearance a reality. We are thrilled by this huge step forward in seeing U.S. customs preclearance come to Billy Bishop Toronto City Airport. We now have a roadmap to start working alongside PortsToronto and other stakeholders on both sides of the border to ensure this is a smooth process.

Preclearance opens up tremendous opportunity for Billy Bishop, Porter's passengers and their destination options. Efficiency in trans-border travel, allowing for increased trade between more markets on both sides of the border is a great step forward for the shared economies of Canada and the United States. Your leadership was vital in making this possible and strengthening the important relationship between Canada and the United States.

We look forward to the road ahead - thank you for your support.

Best regards,

Robert Deluce
President and Chief Executive Officer
