

"Hands Off My Social Security"

Petition for ~~Governor~~

~~Senate Democrat Leader~~ ~~Nikki~~

~~Harry Reid~~ ~~Haley~~

Whereas, Social Security is a sacred trust that millions of Americans are counting on in order to simply survive;

Whereas, The Federal Government has embarked on a historic spending spree and is continuing its 29-year long tradition of stealing money from the Social Security Trust Fund to pay for its spending sprees;

Whereas, A recent Congressional Budget Office report announced that Social Security could begin running a deficit as early as next year;

Whereas, A bipartisan proposal was introduced in the Senate to form an unelected "Blue Ribbon Commission" in order to find ways to cut or terminate Social Security benefits; and

Whereas, Such a commission would be nothing but a cheap political trick to allow politicians to rob America's seniors by cutting Social Security benefits without having to take the blame;

Resolved, That I demand you oppose any and all attempts to cut Social Security benefits either through direct action in the Senate or through an unelected and unaccountable "blue ribbon commission" scheme.

Sincerely: _____

I am a supporter of the National Seniors Council and will rely on that organization to keep me informed about your response to this petition from the American people.

Nikki, if you could please pass the word to your influential colleagues to follow the lead of Rep. Walter Jones (NC) in promoting & passing the bill called The Soc. Sec. Guarantee Act, to put a stop to all efforts by thieves to steal our Sr. benefits, that we've paid for all our lives, we would be so appreciative!
Thank you for any help with these issues!

Petition to ~~Senate Majority Leader Mitch McConnell~~

Governor Nikki Haley

Whereas, Barack Obama has negotiated his ObamaTrade treaty in total secrecy without the input of the American people; and

Whereas, this treaty undermines American sovereignty by creating an international commission that can change U.S. trade, immigration, and environmental labor laws; and

Whereas, ObamaTrade includes a "living agreement" clause which allows this commission to add new countries and new regulations to this treaty without the consent of Congress or the American people; and

Whereas, ObamaTrade cannot be amended or changed by Congress in any way; and

Whereas, ObamaTrade will come up for one final vote before Congress before it can become law of the land; and

Therefore, be it resolved that I ^{entreat} demand that you and your fellow ~~Republican~~ senators vote down the ObamaCare trade treaty and save America's sovereignty.

Signed

LETTER OF OPPOSITION To Governor Nikki R. Haley

Governor Haley,

As a citizen of South Carolina, I am writing to express my great concern over reports of actual instances and growing pressure from pro-Islamic interests and pressure groups demanding that our schools teach Islamic principles to students, often against the wishes of parents!!

The forced teaching of the principles of Islam should not be allowed in any of our schools!

Students should never be forced to participate in Islamic culture, "role playing", forced to dress as a Muslim, say Islamic prayers, recite the Koran or other Muslim prayers, or to ever pledge allegiance to one nation "under Allah"!!

If the teaching of Christianity and Judeo-Christian values is supposedly "unconstitutional" - then surely the same must be said for teaching Islam and it should NOT be taught in schools!

As my governor, the highest elected official and symbolic head of education in our state, I am writing to demand that you investigate and publicly expose any of these practices in our schools and then take immediate action to stop those practices! ASAP!

Signed, Ellen Byrne

SENIORS AGAINST OBAMACARE

Petition to Gov. Nikki Haley of the State of South Carolina

WHEREAS: American Senior Citizens deserve quality health care in their retirement;

WHEREAS: Congress has considered whether to fund the implementation of Obamacare by cutting Medicare;

WHEREAS: Senior Citizens depend on top-notch health care to maintain a good quality of life; and

WHEREAS: Forcing people into a government-run system means Seniors Citizens will face cuts to their benefits, their choices, and ultimately, their quality of life; now, therefore, be it

RESOLVED: That I, the undersigned, call upon you to oppose any legislation for funding Obamacare that would increase government control over Americans' health care, especially any plan that cuts health care benefits to Senior Citizens, including hacking away at Medicare Advantage, rationing health care, or limiting Senior Citizens' health care choices.

STOP MEDICARE PRIVATIZATION!

To the attention of: ~~Representative~~ *Gov. Nikki Haley*,

I strongly object to the budget passed by the United States House of Representatives that includes replacing Medicare's guaranteed benefits with a voucher for beneficiaries to purchase coverage on the open market through a private health plan.

Privatizing Medicare ends the program's guarantee of benefits and provides no assurance of beneficiaries receiving quality care at an affordable cost.

The Medicare privatization plans contained in this budget must be scrapped.

And the cuts of \$431 billion to Medicare!!

You were elected to represent me in Congress, and instead of ending Medicare as we know it, I call on you to pass a budget that secures the program's future and deliver's on its promise of guaranteed health benefits!

Please ask your influential colleagues to help defeat this horrible mistake!

Signed:

Thank you, Nikki!

3. Recently, a three judge panel of the Federal Court of Appeals ruled against lifting an injunction temporarily stopping President Obama's executive action on amnesty for illegal aliens. 6. Do you believe the new Republican Majority in the United States Senate has the duty to use its Constitutionally-granted power to "advise and consent" on all Presidential appointments like Federal judges when those appointees are clearly unqualified or have expressed anti-Constitutional views in the past?

We pray they will!
