This is the priority event for June 24th. The other two work around this. Darryl, please inform Lily of the appropriate arrival and departure times, and please help her fill out the event sheet to the extent possible. Thanks

Hey Darryl!

Ok, here is what I am thinking. I have been talking a bit with Leeza and her husband Steven today. I am going to work on getting some of the Clemson and USC folks to attend the Cocktail Hour on June 24. That is great news that the Lt. Governor is willing to move something in his schedule. Would the Lt. Governor (or Danny) like to reach out to the Governor (or Trey)? If not, I am happy to contact Mark Plowden. I am fine with either, so it is whichever he prefers.

Leeza and Steven are available anytime on June 21 or June 22 to meet regarding partner opportunities. After the core group meets with Leeza and Steven, we can schedule some calls/meetings with potential partners to gauge interest. It may be beneficial to invite some of those potential partners on the short list to attend the event on June 24. What do you think about that plan? I am up for other thoughts if you prefer to go about it in another way.
