Mr. Soura,

As an update, we have nearly completed our draft application for the Harvard University Innovations in American Government Award. We hope to have a completed draft to you by the weekend. It is currently being reviewed by the SmartState Review Board Chair before being submitted to your office.

Thank you,

Arik,

I'm taking a look at the IAG award materials (passed along to me by Swati Patel) – specifically, the CEO signature page. Could you let me know how you'd like the top half of that form to be completed? The official "Program Name"...the contact information, etc.? Thanks.
