Danny,  
I still would like to assist Ms. Wallace, if possible.

If we could find a “contact” that she would communicate with, that would be helpful. I would ask the AAA to do an assessment to determine her short term and long term needs. I would also ask the AAA to engage their I&ra staff to look for other resources . I am most concerned about her immediate living condition. That is a tough area for emergency housing and the Dept of Housing has suspended our Rental Assistance Funding. However, there are some monies available thru some area agencies that may could cover some expenses while a long term solution is explored.

It appears that several folks have attempted to assist her over an extended period of time, but I think we need to try to help her. But, we must be allowed to meet with her, assess her needs, and explore all possible solutions.

Let me know if you would like to talk or have any suggestions.

Thank You.

Hi Darryl,

Please call me back about Ms. Wallace.

Julie Courtright called Ms. Wallace, identified that she is from Trident Area Agency on Aging and asked how she can help. Ms. Wallace went on a rant about “No good Keith Summey and Ruby Bail”, cursed out my staff and hung up on her.

I called the hotel and the hotel staff said she’s been staying there a while. The hotel staff said that Ms. Wallace is really stubborn and hard-headed; in fact, Ms. Wallace cursed her out two weeks ago.

The hotel staff reported that APS has been there and she cursed them out too.

I called Ms. Wallace and she said there was nothing that I or that no good Keith Summey could do for her. She went on a rant about Sanford and I couldn’t get a word in. She didn’t curse me out, but told me that she was going to the national news to report that no good Keith Summey. She then told me not to call her again before she hung up on me.

There is a history of notes in SC Access on Ms. Wallace since 2013.

Rep. Arrington has a constituent in Summerville who is elderly and homeless. Her name is Cordelia Wallace, and she's staying now at the Economy Inn. Please have someone make contact with her and help her get to the proper services. The hotel number is 843-875-7567. Ms. Arrington says to just ask for her room. Please keep me posted so that I may pass on to her.
